# FUSION LINE

The Fusion Line is a collection that is durable enough to withstand everyday life. We offer several door models, for a multitude of design possibilities. Each wood finish has a highly natural grain. With the Fusion line, you opt for reliability and authenticity.

- Bonded laser edge banding
- Shock resistant
- Natural and realistic wood grain
- Sought-after textures
- Easy to clean

We recommend ordering a sample for an accurate perception.

## PERFECTSENSE LINE

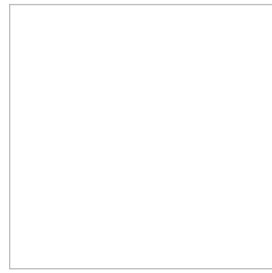

The PerfectSense line is characterized by the use of inert UV technology to treat surfaces. This process results in solid cabinet doors that offer state-of-the-art design options through original colours. Choose between a velvety mat look or a high gloss finish.

- **Increased scratch and heat resistance**
- **No finger marks**
- **Easy maintenance**
- **Maximum strength**

We recommend ordering a sample for an accurate perception.
